## **Conflict Resolution Checklist**

Clarified initial positions (preferred plans of action).
Summarized with an umbrella statement of the problem (We need to figure out what to do about)
Explored both sides' underlying concerns, with adequate specific details?
Looked back to summarize the concerns on both sides.
Assessed what was each party's main concern(s).
Sustained a cooperative emotional tone?
Kept dialogue preceding in short chunks (no long monologues).
Devised a plan of action responsive to the concerns on both sides?
Reviewed the plan to check for clarity of what each person would do.
At the end, asked "Are there any little pieces of this that still feel unfinished?" to address remaining potential factors.
